Senior Class Farewell

The year is 1958. We are a small group of 7th graders attending Wm. S. Hart Jr.-Sr. High School. At this time we don't know that we will be the last class to attend a combined Jr.-Sr. High School. Some of us will go on to complete six years at this school. Little do we realize just how eventful these years will be.

Suddenly, we are in the 8th grade. Eagerly we look forward to our Freshman year. Our lives are as yet uneventful.

September, 1960! We proved that, although Freshmen, we avoided winning the Lemon Trophy in the Clothing Drive.

This first year in high school indicates that our class will continue to be good, academic wise, as we were in the Junior High.

1961-1962 We, the brave Sophomore Class challenge the mighty Seniors---and "bury" them in the ICC Assembly. Winning first place with our Homecoming float doesn't help to heal previous wounds with the Seniors, who are already our arch enemies.

Again, we shy away from the Lemon Trophy in the Clothing Drive. Although we find ourselves over our heads in class competition, we still find time to see a large percentage of our class listed on the Honor Roll, we are now established as a class who will excel academically.

The Junior year, 1962-63 is the greatest in the way of achievements. Because the Class of 1962 has graduated, we chose as our rivals the Class of "63". We begin the year with a unique I. C. C. skit which brings us much acclaim.

The Clothing Drive to 62-63 begins-----competition is rough-----then because the Seniors are behind they steal some of our clothes. Little do they realize how dearly they will pay for their foul deeds.

Revenge is ours! Under the cover of darkness, a crafty group of us brand the Senior Lawn and the hearts of every Senior with those triumphant initials-JR'S! It will take a long time for the scars in the hearts of any loyal Senior to heal. For the second year in a row we find the Senior Class embittered against us as we emerge victorious with another spectacular "first" prize in Homecoming competition.

"Wonderland by Night" is hailed by all as the finest Prom ever presented on our campus. Many of us now seriously consider our ambitions.

We realize now that this is the last year left for the fun and "security" of high school.

It is now 1964 and graduation is at hand. We realize and are thankful for all that Hart High has given to us these past years of our lives.

Yes, Hart, with your help and preparation we now are ready to face the world as mature young adults. We know our future rests in our hands.

With a deep sadness that only a Senior can comprehend, we leave you Hart, and take with us far more than we ever gave you. For this we will be forever thankful.

Honestly, you'll always be Our Own Sweet Hart!

Summer

Amid the pale colors of a "Wonderland by Night" Mike Thompson dances with his date. Also seen enjoying this winterland of beauty is last years exchange student, Quamar Ahmed, and date, Cathy Cox. The prom was Hart's finest in years.

During the summer there were about 430 students attending summer school. A variety of courses were offered. Many of them were make-up and for the more industrious student extra courses were available. (Right) Science teacher Mr. Robert Henson is shown with students as he bravely handles a snake.

Above: New buildings blossomed during the summer. Shown is the construction of the new girl's gym.

Tom's native land is Thailand. He is shown here with his family, lower left. After graduation Tom plans to follow in his father's footsteps and become a lawyer.

While in America Tom enjoyed many honors and according to him the greatest was meeting the President of the United States.

The following girls have been voted to the honor of "Girl of the Month" by members of the Girls' League. Each girl exemplifies the characteristic that is attached to that particular month of the year.

These honors are awarded to only members of the Senior class. The "Girl of the Year" is selected from this group.

Girl of the Year Miss Christine Sproul

The Girl of the Year award is one of the oldest traditions at Hart. It is a highly coveted award for the highest non-scholastic award any girl may receive.

This award is given to a Senior girl who is outstanding to the school and community, as well as for her loyalty and dependability.

The girl must be an active member of the Girls' League, an organization open to all girls of the school. The actual choice for the award is made by the women faculty members on their objective observations.

Editor's Message

The aim of the Tomahawk staff this year was to produce a yearbook highlighting the activities of the 1963-64 school year, and to give the students a yearbook that they can be proud of. I hope, at least in part that we have achieved our aim.

I would like to convey my sincere appreciation to the many people who have helped to make our yearbook a success.

To our advisor Mr. Ed Murdock, whose cheerful way and manner has guided us over many rough spots and crisis. I would like to say on behalf of myself and the '63-'64 Tomahawk that without his help this years' Tomahawk would never have been possible.

To Mr. Richard Smith and Mr. Hal Rassmussen, who designed our cover, we are most fortunate to have two such talented people to help us.

To Auburn Graves the Senior photographer, thank you for an outstanding job, this years' senior pictures were excellent.

To R. Wallace Pischel and Co., expecially to Mr. Boddy and Mr. Humphrey, our publishers, thank you for an outstanding job in publishing our yearbook.

And last, to each and every one of the Tomahawk staff members, my sincere thanks and appreciation for working so hard and so long to make this fine book a reality.

Sincerely,

Sandy Towles, Editor
and
Carol Ritchie, Editor
