Artist's Concept

Rainbow Development Company

Rainbow's successful progress in Southern California, began in the San Fernando Valley, over a quarter of a century ago.

And they are still building fine, prestigious homes; offering many extra features not usually found in such affordable residences.

A few of the luxury items include real ceramic tile, custom fireplaces, distinctive interior decor and cathedral ceilings.

Due to our continuing research and development program, we reserve the right to alter specifications, prices and features without prior notice.
