## THE 1981 AUCTION

1981

## WELCOME

The Santa Clarita Valley Boys' & Girls' Club welcomes you to its 10th Annual Benefit Auction. It is through your concern and generosity that this youth guidance organization is able to deliver services to the young boys and girls of this area. We wish you a highly enjoyable evening and hope that you continue to help us by bidding generously on the auction items.

## THE BOYS' AND GIRLS' CLUB

The S.C.V. Boys' & Girls' Club is a youth Development Organization dedicated to promoting the health, social, educational, vocational and character development of Boys and Girls. It aims to help young people improve their lives by building self esteem and developing values and skills during critical periods of growth. As part of a national network of similar organizations affiliated with Boys Club of America, we must adhere to national requirements and standards. These mandatory requirements and voluntary standards are broad enough, however to allow us to adapt our programs and services to meet the needs of the Santa Clarita Valley.

The most inclusive club in the valley, the Boys and Girls Club provides daily activities at 6 different program sites. Conveniently located on school grounds, the club is within easy walking distance for a large number of children. The well rounded program includes, Social Recreation, Co-ed Sports Leagues, Arts & Crafts and Special Events. Frequent trips and camp-outs are planned for weekends. The program operates during after school and evening hours when youngsters are best able to attend.

The Boys and Girls Club employs a professional staff who are trained in the Boys Club philosophy of providing informal guidance through individual and small group experiences. By recognizing and responding to the restless energies, curiosity, and youthful quest for "something to do" the Boys and Girls Club gives youngsters a chance to improve their lives by allowing them to develop values and skill during critical periods of growth.

In October of 1980, construction on the first of 3 permanent Boys and Girls Club facilities began at Emblem School. The 2400 square foot ultra modern structure is expected to double our capacity to serve youngsters in the area of Bouquet Canyon. Similar facilities in Canyon Country and Valencia, projected for the near future, will result in a similar increase in activities for the youth of those communities. Enthusiastic support of the Benefit Auction coupled with generous contributions from local industry has made your Boys and Girls Club, an organization. On the Threshold of a Dream.

Clarita Valley Boys' and Girls' Club**

# The Rules of the Auction

## Live Auction

1. **The Live Auction** will begin at **9:00 p.m.** and will run to approximately 11:00 p.m. It will consist of the **voice auctioning of Items 1 through 32** in the order they appear in this catalogue and in the addendum.
2. **All bidding** at the auction will require a **bid number**. Your personal bid number is located on the **back of your catalogue** along with your registration certificate. Fill out your registration card in advance to avoid congestion at the entrance on the auction evening. A bid card is required for all bidding and purchasing of items.
3. **During the live auction**, when you want to bid on an item, **wave your pom-pom** as frantically as possible to attract the auctioneer's or spotter's attention. If you win an item, immediately announce your **bid number** to the auctioneer or spotter and remain in your seat.
4. A **"runner"** will bring a sales slip directly to you, indicating the prize you have purchased and the amount of your winning bid. You may wait until the end of the evening and pay for all your purchases at one time at the cash table.
5. **All goods (not services)** are subject to the **6% California sales tax which will be added to the amount of your purchase.**

Ten groups of bid board items are listed in this catalogue. Additional items will be added to group 11 and will be listed in the addendum, published just before the auction.

4. **Each bid sheet** notes a **minimum value** by which the existing bid must be increased in order to constitute a higher valid bid. Each new bid must be written on the **uppermost blank line** available on the bid sheet.
5. **All bids** must be in **even dollar amounts** (no cents). Any bid which includes cents will be automatically disqualified.
6. **The bid boards will be closed** approximately at the times stated here in the catalogue. However, the official closing will be that time when the Boys' & Girls' Club Official actually removes the bid sheet from the board.
7. **In the event** that bidding is still in progress when the Boys' & Girls' Club Official attempts to close the board, the Official shall conduct a **mini-live auction** on the spot allowing all persons wishing to bid to do so and shall determine the winning bidder, subject to rule 8 below.
8. **After the bid board is closed**, the bid sheet will be taken to the item verification table. At this time, the validity of all bids will be verified (bid number, even dollar bids, minimum increase, etc.) The highest valid bid will be declared the winner and the decision of the official will be final. Shortly after board is closed, an official shall post the bid number of the winning bidder on the board.

## General Rules

1. **The Boys' & Girls' Club requires that all prizes be paid for in full** at the auction. Payment may be made by cash, check, BankAmericard, VISA, or Master Charge.

5. **All winning bidders** are to report to the cashier's table to pay for the items and to claim their prizes. Any bidder not making arrangements for **payment at the cashier's table by 12:30 a.m.** may, at the discretion of the Boys' & Girls' Club, forfeit his right to purchase the item and it will be made available to the next highest bidder.
6. **All items** should be removed from the premises on the night of the auction. In the event you cannot remove your purchases that evening, then you must do so between 12 noon and 5 p.m. on Sunday, June 14, 1981. If you wish to do otherwise, prior arrangements must be made by either the purchaser or the donor.
