*1985 Benefit Auction
Santa Clarita Valley Boys' & Girls' Club*

OUR APPRECIATION AND WELCOME

The Santa Clarita Valley Boys' & Girls' Club gratefully acknowledges the generosity of all donations pledged in support of our 1985 Benefit Auction. It is through the far-reaching contributions of individuals, businesses and industries that tonight's Auction is presented. Your support continues to touch and enrich the lives of the youngsters of our community. It is through your concern and generosity that this youth organization exists.

We wish you a highly enjoyable evening and hope you continue to help us by bidding generously on the Auction items. The Santa Clarita Valley Boys' & Girls' Club welcomes you to its 14th Annual Benefit Auction.

The Boys' & Girls' Club is a youth guidance organization providing meaningful activity and character building programs for youngsters in the Santa Clarita Valley. Founded in 1968, it is part of a national network of organizations affiliated with Boys' Clubs of America. A non-profit agency, the organization is a member agency of the United Way and the club receives no tax dollars nor governmental support.

The most inclusive club in the Santa Clarita Valley, the agency provides daily activities at club sites. Conveniently located on school grounds, the club is within easy walking distance for a large number of children. The well-rounded program includes social recreation, co-ed sports leagues, arts and crafts, special events, community service activities and youth guidance. The program operates during after-school and evening hours when youngsters are best able to attend.

The Boys' & Girls' Club employs a professional staff who are trained in the Boys' Club philosophy of providing informal guidance through individual and small group experiences. By recognizing and responding to the restless energies and a youthful quest for "something to do", the Boys' & Girls' Club gives youngsters a chance to improve their lives by allowing them to develop values and skills during critical periods of growth.

Perhaps those who benefit most are children residing in families where both parents work, or in families where there is only one parent.

From its inception the Boys' & Girls' Club has responded to growing needs for youth services through planned expansion and program development.

Through the Boys' & Girls' Club today's youth gain a sense of usefulness and competence and a chance to connect with the promise of a future. We are committed to building that future, one step at a time, one child at a time.

We welcome your support and participation and we invite you to visit our satellites in the near future.

Silent Auction

The Live Auction (LA1 - LA51) starts at 8:30

1. **The silent auction will begin at 6:00 p.m.** and will consist of written bidding on approximately 500 items posted on the bid boards along the walls. 13 groups of bid board items are listed in this catalogue. Additional items will be added to group 13 and will be listed in the addendum, published just before the auction.
- 2 **Each item** can be located according to its group number. Bids will be accepted on each item until the board closes. The following are the closing times:
3. **All items in the silent auction** have bid sheets attached or affixed nearby. Persons desiring to bid must do so legibly, writing their name, bid card number, and the amount of the bid on the bid sheet. **Any bid without a bid card number will be automatically disqualified.**
4. **Each bid sheet** notes a **minimum value** by which the existing bid must be increased in order to constitute a higher valid bid. Each new bid must be written on the **uppermost blank line** available on the bid sheet.

5. **All bids** must be in **even dollar amounts** (no cents). Any bid which includes cents will be automatically disqualified.
6. The bid boards will be closed approximately at the times stated in the catalogue. However, the official closing will be that time when the Boys' & Girls' Club Official actually removes the bid sheet from the board.
7. **In the event** that bidding is still in progress when the Boys' & Girls' Club Official attempts to close the board, the Official shall conduct a **mini-live auction** on the spot allowing all persons wishing to bid to do so and shall determine the winning bidder, subject to rule 8 below.
8. **After the bid board is closed**, the bid sheets will be taken to the item verification table. At this time, the validity of all bids will be verified (bid number, even dollar bids, minimum increases, etc). The highest valid bid will be declared the winner and the decision of the official will be final. Shortly after the board is closed, an official shall post the bid number of the winning bidder on the board.

**IMPORTANT
READ CAREFULLY**

General Rules

1. **The Boys' & Girls' Club requires that all prizes be paid for in full** at the auction. Payment may be made by cash, check, BankAmericard, VISA, or MasterCard.
2. **Unless otherwise specified**, all auction items and services must be used **within one year from June 8, 1985. Unless otherwise specified or stated by donor, all items are transferrable from the winner to another person.**
3. **According to the Internal Revenue Service**, only the amount paid for an auction prize **"in excess of the actual cash value of that prize"** is tax deductible. A written receipt indicating such an amount for tax purposes will be issued to you after the auction at your request.
4. **All sales are final. For our guests' protection the Boys' & Girls' Club recommends winning bidders of Live Auction Trips purchase trip cancellation insurance** to protect their investment. The club cannot refund monies for trips whereby the buyer

must cancel due to illnesses and other personal emergencies. However, the Boys' & Girls' Club will refund the full purchase price of any item where there is a failure of performance either on the part of the Boys' & Girls' Club or on the part of the donor.

5. **Prior to leaving the Auction all bidders should go through "check out" to verify their winning purchases. All winning bidders are to report to the cashier's table to pay for the items and to claim their prizes. Any bidder not making arrangements for payment at the cashier's table by 12:30 a.m.** may at the discretion of the Boys' & Girls' Club, forfeit his right to purchase the item and it will be made available to the next highest bidder.

6. **All items** should be removed from the premises on the night of the auction. In the event you cannot remove your purchases that evening, you must do so between 12 noon and 5 p.m. on Sunday June 9, 1985. If you wish to do otherwise, prior arrangements must be made by either the purchaser or donor.

MasterCard & VISA Accepted

MasterCard, VISA, BankAmericard cards will be accepted at the auction for all expenses and purchases, including admission catalogues, bar and raffle tickets, and for the purchasing of all auction prizes.

Additions & Corrections

This catalogue contains only those items available at the time of publication. A special addendum to be published and given to each guest at the auction will list an additional group of bid board items. The addendum will also list all corrections and deletions necessary for any item published in this catalogue.

The success of any event such as the Boys' and Girls' Club Auction is never due to any one person. It is just another example of teamwork...and what a team. From a truly supportive Board of Directors and staff, a multi-talented and enthusiastic avalanche of volunteers who chaired all our committees, solicited a truly outstanding array of Auction items and gave so much of their time, we received constant support and encouragement. To all of you who gave so generously of your time and talent we can only say thank you...and in harmony with our Theme of an "Evening in Paris", *Merci Beaucoup vous etes tres gentil.*

George and Carolyn

TO THE PEOPLE WHO MADE THIS BENEFIT POSSIBLE, *THANK YOU!*

ENDOWMENT GIFTS

Throughout the year the Santa Clarita Valley Boys' and Girls' Club receives contributions from private citizens who wish to remember a special friend or relative through our Endowment Fund. A card is forwarded by the Club to the person, or their family, recognizing the donor and their Endowment Gift. Gifts to our Endowment Fund are an investment in tomorrow's youth. The Club draws only on the interest of the fund for operating purposes, thereby creating an endowment legacy that will perpetuate the services provided by this agency for the children of our communities.

Our Auctioneer for Boys' and Girls' Club Auction 1985 is long-time resident, Fran Wrage. Fran has been in the community for 20 years, and is a successful NML insurance agent by profession. Fran has also been a teacher and basketball coach at Wm. S. Hart High here in Newhall, an active member of the SCV Chamber of Commerce, Rotary Club, (he was auctioneer at the Annual Rotary Auction), and has been a key figure in the Boys' and Girls' Club Annual Auctions for the past several years. His personality and wit will lend to the evenings entertainment and assure that a good time will be had by all. Our thanks to Fran for volunteering his services for this evenings gala event.
