# OUR APPRECIATION AND WELCOME

## Welcome to the 15th Annual Boys' and Girls' Club Benefit Auction

We wish you a highly enjoyable evening and encourage you to continue supporting the Club by bidding generously on auction items.

The SCV Boys' and Girls' Club members and Board of Directors gratefully acknowledge the generosity and concern of all donors who have made possible the 1986 Benefit Auction. These contributions from individuals, businesses and corporations support more than 50% of the programs offered by this youth organization. Your support touches and enriches the lives of over 1,000 deserving youngsters throughout the area.

**An Added Attraction . . .** This year we will have a Midway for your added pleasure . . . carnival games to test your skill. Our thanks to the following people who have contributed prizes to our midway. (Only items contributed up to catalogue printing deadline are included — others will be listed in Auction Addendum).

## WHO WE ARE:

Founded in 1968, the Club is part of a national network of Boys Clubs of America. A non-profit agency and a recipient of United Way funding, all contributions are tax-deductible.

Conveniently located on school campuses, the club is within easy walking distance for a large number of children. The well-rounded program offers social recreation, co-ed sports leagues, arts and crafts, special events, community services activities and youth guidance. Open daily after school and in the evenings, as well as weekdays during the summer months and on school vacation breaks, the Club offers supervision and guidance by adult, professionally trained leaders. The staff recognizes and responds to the restless energies and youthful quest for "something to do" and gives youngsters a chance to improve their lives by allowing them to develop values and skills. Perhaps those who benefit most are children residing in families where both parents work, or in families where there is only one parent.

**We welcome your support and interest and  
invite you to visit the satellites at your earliest convenience.**

# Return of the Coasters

No other group brings to mind the 50's so vividly as do the COASTERS. Their hits such as "Charlie Brown", "Yakety Yak" and "Along Came Jones" are bringing smiles to the faces of a whole new generation. The hits of the COASTERS are timeless classics that belong to today as much as they did to yesterday. They are often on tour with Dick Clark's "Good Old Days of Rock & Roll Show", and are a popular act in Reno, Tahoe & Las Vegas. NOW THEY ARE HERE WITH US TO BRING THEIR CLASSIC ACT TO THE 1986 BOYS' AND GIRLS' CLUB AUCTION — "CARNIVAL".

# The Rules of the Auction

## Live Auction

1. **The Live Auction** will begin at **9:15 p.m.** and run to approximately **12:15 a.m.** It will consist of the **voice auctioning of Items LA1 through LA68** in the order they appear in this catalogue and in the addendum.
2. **All bidding** at the auction will require a **bid number.** Your personal bid number is located on the **back of your catalogue** along with your registration certificate. Fill out your registration card in advance to avoid congestion at the entrance on the auction evening. A bid card is required for all bidding and purchasing of items.
3. **During the live auction,** when you want to bid on an item, **wave your pom-pom or catalogue number** as frantically as possible to attract the auctioneer's or spotter's attention. If you win an item, immediately announce your **bid number** to the auctioneer or spotter and remain in your seat.
4. A **"runner"** will bring a sales slip directly to you, indicating the prize you have purchased and the amount of your winning bid. You may wait until the end of the evening and pay for all your purchases at one time at the check out booth.
5. **All goods (not services)** are subject to the **6½% California sales tax** which will be added to the amount of your purchase.

4. **Each Bid Sheet** notes a **minimum value** by which the existing bid must be increased in order to constitute a higher valid bid. Each new bid must be written on the **uppermost blank line** available on the bid sheet.

## AUCTION RULES

- 5. All bids** must be in **even dollar amounts** (no cents). Any bid which includes cents will be automatically disqualified.
6. The bid boards will be closed approximately at the times stated in the catalogue. However, the official closing will be that time when the Boys' & Girls' Club Official actually removes the bid sheet from the board.
- 7. In the event** that bidding is still in progress when the Boys' & Girls' Club Official attempts to close the board, the Official shall conduct a **mini-live auction** on the spot allowing all persons wishing to bid to do so and shall determine the winning bidder, subject to rule 8 below.
- 8. After the bid board is closed**, the bid sheets will be taken to the item verification table. At this time, the validity of all bids will be established (bid number, even dollar bids, minimum increases, etc.). The highest valid bid will be declared the winner and the decision of the official will be final. Shortly after the board is closed, an official shall post the bid number of the winning bidder on the board.

### IMPORTANT READ CAREFULLY

### General Rules

---

- 1. The Boys' & Girls' Club requires that all prizes be paid for in full** at the auction. Payment may be made by cash, check, VISA, or MasterCard.
- 2. Unless otherwise specified**, all auction items and services must be used **within one year from June 14, 1986. Unless otherwise specified or stated by donor, all items are transferrable from the winner to another person.**
- 3. According to the Internal Revenue Service**, only the amount paid for an auction prize **"in excess of the actual cash value of that prize"** is tax deductible. A written receipt indicating such an amount for tax purposes will be issued to you after the auction at your request.
- 4. All sales are final.** For our guests' protection the Boys' & Girls' Club recommends winning bidders of Live Auction Trips purchase trip cancellation insurance to protect their investment. The club cannot refund monies for trips whereby the buyer must cancel due to illnesses and other personal emergencies. However, the Boys' & Girls' Club will refund the full purchase price of any item where there is a failure of performance either on the part of the Boys' & Girls' Club or on the part of the **donor.**

- 5. Prior to leaving the Auction, all bidders should go through "check-out" to verify their winning purchases. All winning bidders are to report to the cashier's table to pay for the items and to claim their prizes. Any bidder not making arrangements for payment at the cashier's table by the end of the evening** may, at the discretion of the Boys' & Girls' Club, forfeit his right to purchase the item and it will be made available to the next highest bidder.
- 6. All items** should be removed from the premises on the night of the auction. In the event you cannot remove your purchases that evening, you must do so between 12 noon and 5 p.m. on Sunday, June 15, 1986. If you wish to do otherwise, prior arrangements must be made by either the purchaser or donor.

---

### MasterCard & VISA Accepted

---

MasterCard and VISA cards will be accepted at the auction for all expenses and purchases, including admission catalogues, bar and raffle tickets, and for the purchasing of all auction prizes.

---

### Additions & Corrections

---

This catalogue contains only those items available at the time of publication. A special addendum to be published and given to each guest at the auction will list an additional group of bid board items. The addendum will also list all corrections, deletions necessary for any item published in this catalogue, and volunteer committees.

An event with the magnitude and diversity of the Boys' and Girls' Club Auction can never be credited to any one person. Its success can only be credited to the many wonderful people who make up the Auction Committee; those people who solicit the many items to be auctioned, and do the myriad jobs that need to be done, both before, during and after the auction. You all know who you are, and how grateful we are for your support and help during these months of preparation. Our thanks, too, to all the members of the staff, the Board of Directors and the members of the Auxiliary, without whose help our job would have seemed an impossible task. We have had an exciting theme to work with, an exciting and productive group of people to share our visions and hopes with, and we are sure that our efforts will make this 15th annual auction a smashing success.

## ENDOWMENT GIFTS

Throughout the year the Santa Clarita Valley Boys' and Girls' Club receives contributions from private citizens who wish to remember a special friend or relative through our Endowment Fund. A card is forwarded by the Club to the person, or their family, recognizing the donor and their Endowment Gift. Gifts to our Endowment Fund are an investment in tomorrow's youth. The Club draws only on the interest of the fund for operating purposes, thereby creating an endowment legacy that will perpetuate the services provided by this agency for the children of our communities.
