SCRIPT OF THE AUCTION

Live Auction

1. **The Live Auction** will begin at **9:00 p.m.** and run to approximately **11:00. p.m.** It will consist of the **voice auctioning of items** in the order that they appear in the Live Auction Section of this catalogue and in the Addendum.
2. **All bidding** at the auction will require a **Bid Number**. Your personal bid number is located on the **back of your catalogue** along with your Registration Certificate. Fill out your registration card in advance to avoid congestion at the entrance on the auction evening. A Bid Card is required for all bidding and purchasing of items.
3. **During the Live Auction**, when you want to bid on an item **wave your pom-pom or catalogue number** as frantically as possible to attract the auctioneer's or the spotter's attention. If you win an item, immediately announce your **Bid Number** to the auctioneer or the spotter and remain in your seat.
4. **A "runner"** will bring a sales slip directly to you, indicating the prize you have purchased and the amount of your winning bid. You may wait until the end of the evening and pay for all of your purchases at one time at the checkout booth.
5. **All goods (not services) are subject to the 6½% California Sales Tax** which will be added to the amount of your purchase.

Silent Auction

1. Bids can be made on Silent Auction (Bid Board) items **beginning at 5:00**. Please place written bids on the bid sheets of any and all of the items posted on the bid boards on the walls. Eight groups of items are listed in this catalogue. Additional items may be added to Group 8 and will be listed in the addendum published just before the Auction.
2. Each item can be located according to its group number. Bids will be accepted on each item until the board closes. Following are closing times:

PLEASE NOTE - The Art Auction takes place between 7:30 and 8:30. Entertainment begins at 8:30. The Live Auction begins at 9:00.

3. **All items in the Silent Auction** have bid sheets attached or affixed nearby. Persons desiring to bid must legibly write their name, bid card number and amount of the bid on the bid sheet. **A bid without a bid card number will be disqualified.**

SCRIPT

4. **Each Bid Sheet** notes a **minimum value** by which the existing bid must be increased in order to constitute a higher valid bid. Each new bid must be written on the uppermost blank line available on Bid Sheet.
5. **All bids** must be in **even dollar amounts** (no cents). Any bid which includes cents will be automatically disqualified.
6. The bid boards will be closed approximately at the times stated in the catalogue. However, the official closing will be that time when the Boys & Girls Club official actually removes the bid sheet from the board.
7. **In the event** that bidding is still in process when the Boys & Girls Club official attempts to close the board, the Official shall conduct a **mini-live auction** on the spot, allowing all persons wishing to bid to do so and shall determine the winning bidder, subject to Rule 8 below.
8. **After the bid board is closed**, the Bid Sheets will be taken to the item verification table. At this time the validity of all bids will be established (bid number, even dollar bids, minimum increases, etc.) The highest valid bid will be declared the winner and the decision of the official will be final. Shortly after the board is closed, an official shall post the bid number of the winning bidder on the board.

IMPORTANT *(read carefully)* GENERAL RULES

1. **The Boys & Girls Club requires that all prizes be paid for in full** at the auction. Payment may be made by cash, check, Visa or Mastercard.
2. **Unless otherwise specified**, all auction items and services must be used within **one year from June 13, 1987**. Unless otherwise specified or stated by donor, all items are transferable from the winner to another person.
3. **According to the Internal Revenue Service**, only the amount paid for an auction prize "**in excess of the actual cash value of that prize**" is tax deductible. A written receipt indicating such an amount for tax purposes will be issued to you after the auction at your request.
4. **All sales are final**. For our guests' protection the Boys & Girls Club recommends winning bidders of live auction trips purchase trip cancellation insurance to protect their investment. The Club cannot refund monies for trips which the buyer must cancel due to illness or other personal emergencies. However, the Boys & Girls Club will refund the full purchase price of any item where there is a failure of performance either on the part of the Boys & Girls Club or on the part of the donor.
5. **Prior to leaving the auction, all bidders should go through "checkout" to verify their winning purchases. All winning bidders are to report to the cashier's table to pay for the items and to claim their prizes. Any bidder not making arrangements for payment at the cashier's table by the end of the evening** may, at the discretion of the Boys & Girls Club, forfeit his right to purchase the item and it will be made available to the next highest bidder.
6. **All items** should be removed from the premises on the night of the auction. In the event you cannot remove your purchases that evening, you must do so between 12 noon and 5 p.m. on Sunday, June 14, 1987. If you wish to do otherwise, prior arrangements must be made by either the purchaser or donor.

CREDITS

To The People Who Made This Auction Possible - Thank You!!!

The Boys and Girls Club Benefit Auction is an event so large and diversified that its success can never be credited to any one person, but must be credited to the many people who made up the Auction Committee — those people who solicit items to be auctioned, and chair the many subcommittees responsible for the huge variety of jobs that must be done before, during and after the auction. You all know who you are, and how grateful we are for the wonderful job you have done to make this event the outstanding success that it is. The months of preparation have been difficult for everyone, but your support and help has been invaluable. Our special thanks, too, to the Board of Directors, members of the staff, and especially to the young people who are members of the club — all of whom have contributed much to this effort. Our theme, HOORAY FOR HOLLYWOOD, is a very exciting one, and we are sure that the efforts of our many volunteers will make this a memorable evening for everyone.

303 "Cheaper by the Dozen?" Clifton Webb may have thought so, but today, one at a time is enough! Make the new parents feel ever so special with this fantastic package. First, to be assured that the new Dad will be notified when the Blessed Event is going to take place, there's Baby Beeper. For two months, Dad will carry the beeper so he may be paged at any time. Includes all necessary insurance and deposit. Mom and Dad and the new wee one will be ushered home from the hospital in style in a chauffeur-driven Rolls Royce. Impress your neighbors and give the baby a high-class head start in life. As they arrive home, the family will see a 7½-foot-tall wooden stork on their lawn, proudly holding a "bundle" announcing the name, weight, and date of birth of your precious package. When the stork is removed after five days, the bundle will be theirs to keep forever. The new baby will be all set upon arrival home as he or she is gingerly placed in this adorable white Badger Bassinette with tray. (By the way, it folds up for easy moving). Also for the new baby is this complete "Welcome, Little One" basket, chock full of goodies. There are booties, bib, pins, powder, lotion, rattle, and a cute stuffed animal. No diapers to wash for four weeks, either. ABS will deliver diapers fresh and plentiful to your door, and even supply a hamper to put the soiled ones in. Because Mom has been through a lot, there are a few things exclusively for her. She'll enjoy a hair cut and style the first time she can get out, a "Stress Therapy Massage", European facial, and to keep her happy and avoid the Post Partum Blues, Dad can pick up a \$15 bouquet each month for six months. LA24 Four Times the Pleasure! This dynamic foursome of fine wine just can't be beat. First, this intriguing bottle of Eau de Vie de Williams Loire Pear Brandy, which will be the topic of conversation at your next social gathering. You will wonder how the heck they got that full-grown pear inside! Next, you have from the House of Rothschild, another splendid liquid work of art. Baron Philippe de Rothschild took advantage of rich soil and extreme climate and as the gnarled, twisted roots of the grapevine traveled deeper into the earth, they reached the waters of the river underground. All this combined to create this great bottle of 1979 vintage Chateau Lafite wine. Your third bottle of liquid pleasure is this honey-colored bottle of sauterne. Not just any bottle, but a bottle of 1959 Chateau d'Yquem Sauterne for your very own. Last, but not least, think of Mouton Rothschild. This is a name that brings thousands of pilgrims each year to visit the birthplace of a wine treated with reverence in every corner of the globe. From this place, hardly more than a speck on the map of France, comes this bottle of premium 1959 vintage Chateau Mouton Rothschild. Well known not only for their wines exquisite taste, the Rothschild labels each bear a commissioned piece of art by various well-known artists. This bottle bears a piece of art by Richard Lippold. ENDOWMENT GIFTS

Throughout the year the Santa Clarita Valley Boys & Girls Club receives contributions from private citizens who wish to remember a special friend or relative through our Endowment Fund. A card is forwarded by the Club to the person, or their family, recognizing the donor and their Endowment Gift. Gifts to our Endowment Fund are an investment in tomorrow's youth. The Club draws only on the interest of the fund for operating purposes, thereby creating an endowment legacy that will perpetuate the services provided by this agency for the children of our communities.
