## A Note from Our Chairmen:

"Fantasy Island," this year's Auction theme, allows us to fantasize our dreams any way we choose. Over the years the Auction has never ceased to amaze Loretta and me. It is not only a commitment made by many, it is the dedication and selfless efforts that are time and time again put to the test. It has been a wonderful two years. We are again greatly honored by the tireless efforts of our Auction team. Thanks to you, the wonderful people of this community, and to those individuals and organizations who continue to contribute items, service and dollars. We salute the Board of Directors, the staff members and the youth of our community for their strong commitment to the Boys and Girls Clubs of the Santa Clarita Valley. We are so proud to be involved and certain the combined efforts of all will make this 19th Annual Benefit Auction our best ever!

At this time the validity of all bids will be established (bid number, even dollar bids, minimum increases, etc.) **The highest valid bid will be declared the winner and the decision of the official will be final.** Shortly after the board is closed, **an official shall post the bid number of the winning bidder on the board.**

## **IMPORTANT** (read carefully) **GENERAL RULES**

1. **The Boys & Girls Clubs requires that all prizes be paid for in full** at the auction. Payment may be made by cash, check, Visa or MasterCard.
2. **Unless otherwise specified**, all auction items and services must be used within **one year from June 9, 1990**. Unless otherwise specified or stated by donor, all items are transferable from the winner to another person.
3. **According to the Internal Revenue Service**, only the amount paid for an auction item **"in excess of the actual cash value of that item"** is tax deductible. A written receipt indicating such an amount for tax purposes will be issued to you after the auction at your request.
4. **All sales are final.** For our guests' protection the Boys & Girls Clubs recommends winning bidders of live auction trips purchase trip cancellation insurance to protect their investment. The Club cannot refund monies for trips which the buyer must cancel due to illness or other personal emergencies. However, the Boys & Girls Clubs will refund the full purchase price of any item where there is a failure of performance either on the part of the Boys & Girls Clubs or on the part of the donor. **Trip cancellation insurance is recommended for parties purchasing trips.**
5. **Prior to leaving the auction, all bidders should go through "checkout" to verify their winning purchases. All winning bidders are to report to the cashier's table to pay for the items and to claim their prizes. Any bidder not making arrangements for payment at the cashier's table by the end of the evening** may, at the discretion of the Boys & Girls Clubs, forfeit his right to purchase the item and it will be made available to the next highest bidder.
6. **All items should be removed from the premises on the night of the auction.** In the event you cannot remove your purchases that evening, you must do so between 10 a.m. and 2 p.m. on Sunday, June 10, 1990.

## Endowment Gifts

Throughout the year the Santa Clarita Valley Boys & Girls Club receives contributions from private citizens who wish to remember a special friend or relative through our Endowment Fund. A card is forwarded by the Club to the person, or their family, recognizing the donor and their Endowment Gift. Gifts to our Endowment Fund are an investment in tomorrow's youth. The Club draws only on the interest of the fund for operating purposes, thereby creating an endowment legacy that will perpetuate the services provided by this agency for the children of our communities.
