Valentine

Aunt Toots, who was married to Uncle Val at the time of his death had a premonition about the fishing trip he was about to take and pleaded with him not to go. He went anyway. Aunt Toots had a vision at the time Uncle Val must have died. The vision showed him falling overboard, hitting his head on the engine and not re-surfacing. She also saw where he would resurface 10 days later. She had been known to have second sight and could make tables dance. (Gloria witnessed the psychokinesis)
