The proposed Operating Agreement is categorically exempt from the California Environmental Quality Act (CEQA) in accordance with Section 15301 of the State CEQA Guidelines and Class 1 of the Environmental Document Reporting Procedures and Guidelines, adopted by your Board on November 17, 1987 because the project consists operation and licensing of an existing facility.

OPERATING AGREEMENT
with
County of Los Angeles
for
Placerita Canyon State Park

THIS OPERATING AGREEMENT (Agreement), by and between STATE OF CALIFORNIA, acting through the Department of Parks and Recreation, hereinafter referred to as “**State**”, and County of Los Angeles, hereinafter referred to as “**County**”.

WITNESSETH:

Whereas, pursuant to the provisions of Section 5080.30, et seq., of the California Public Resources Code, State may enter into an operating agreement with any city, county, district, public agency, or combination thereof of the State of California for the care, maintenance, administration, and control of lands under the jurisdiction of State for the purpose of the state park system; and

Whereas, State has acquired for park and recreational purposes certain real properties known as Placerita Canyon State Park located within Los Angeles County; and

Whereas, State and County desire to enter into an Agreement to provide for the development, operation, control, and maintenance of Placerita Canyon State Park by County; and

Whereas, the Legislature in the Budget Act of 2004/2005 has authorized the State and County to enter into said Agreement;

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained, the parties hereto agree as follows:

1. **PREMISES**

State authorizes County to develop, operate, control, and maintain Placerita Canyon State Park as shown in "**Exhibit A**", attached and hereby made

a part hereof, hereafter "Premises". County agrees to accept Premises, including facilities covered by this Agreement, and take the same in their present condition "AS IS" with all faults, and agrees to maintain the same in a safe and tenable condition, and, at any termination of this Agreement, to promptly turn back the same to State in the same or better condition, reasonable wear and tear excepted. State shall not be obligated to make any alterations, additions, or betterments to the Premises except as otherwise provided for in this Agreement. This Agreement is not intended to and does not create any third party rights and in no event shall be relied on by any party other than County and State.

2. TERM

The term of this Agreement shall be for a period of fifty (50) years, with the State's option to extend up to an additional fifty (50) years, and shall commence on the first of the month following approval by the State Department of General Services.

3. USE OF PREMISES

County agrees to develop, operate, control, and maintain the Premises as a State Park, with related concessions and/or other facilities accessible and subject to the use and enjoyment of the general public. Development and operation of the Premises shall be conducted in accordance with all applicable State general planning principles, State Commission policies and all federal, state, and local government statutes, laws, and regulations.

Upon written permission of State, County may improve the Premises by constructing and operating any and all facilities and/or structures that relate to or otherwise enhance County's operation of the Premises under this Agreement. These facilities shall not adversely affect the use and enjoyment of the Premises by the public.

County may adopt rules and regulations for the use and enjoyment of the Premises by the public. Any such rules and regulations adopted by County shall conform to and be consistent with the rules and regulations adopted by State and

generally applicable to the California State Park system. The Premises shall not be used for any purpose other than those permitted by this Agreement.

County shall not use or permit the Premises to be used in whole or in part during the term of this Agreement for any purpose other than as herein set forth without the prior written consent of the State.

4. CONSIDERATION

A. In consideration of the services to be performed by County pursuant to this Agreement, State hereby authorizes the use of the Premises by County on a rent-free basis on the condition that County exert a good faith effort in performing the terms and conditions of this Agreement in managing the Premises and operating the nature center and natural area. Upon the approval or adoption of any future funding initiative that results in the elimination of County's ability to generate fee revenue through their operation of the Premises, State hereby agrees to allocate to County for its operation, management, planning, and development of Premises an equitable share of revenues based in part on Annual Revenue and Expenditure Reports submitted to State during the three-year period preceding the passage of such initiative, and by mutual agreement between County and State. In the event that County fails to perform in good faith, or County and State are unable to reach agreement on a funding allocation to County from any future funding initiative as described in this Section, the Premises shall revert back to the State, at State's option, and State shall have the right to pursue any other remedies available under this Agreement and/or otherwise available by law.

B. Any income to County derived from its control and operation of Premises for services, benefits, or accommodation to the general public, or otherwise, shall be used only for the maintenance, operation, administration, improvement, or development of lands and/or facilities located within Placerita Canyon State Park. Any such portion of income as may exceed costs and expenses described in this Section shall be remitted to the State in accordance with Public Resources Code Section 5080.32(b).

5. **CONSTRUCTION AND COMPLETION OF IMPROVEMENTS**

A. At no cost or expense to State, County may undertake new construction, reconstruction, alteration, and maintenance to enhance public recreation facilities subject to prior written approval by State. In the event that County desires to make modifications, improvements, or additions to the Premises or any part of the Premises, including changes to structural design, landscape design, or interior or exterior fixtures, design, and/or furnishings, (collectively "Alteration(s)"), written approval by State shall be obtained prior to the commencement of any Alterations. State shall dictate the plan approval process. All modifications and additions shall be made in accordance with State's standards for construction and completion of improvements. Further, all Alterations shall be made in accordance with State's general planning principles and with all applicable state and federal laws, rules and regulations.

B. Once prior approvals, permits, etc. have been received as required herein above, and the work on any Alteration has begun, County shall pursue to completion with reasonable diligence all approved Alterations. All work shall be performed in a professional manner, and will comply substantially with plans and specifications submitted to State as required herein and with all applicable governmental permits, laws, ordinances, and regulations. It shall be the responsibility of County, at its own cost and expense, to obtain all licenses, permits, security, and other approvals necessary for the construction of approved Alterations. County shall comply with public bidding requirements as set forth in the California Public Contract Code.

C. For all Alterations erected on the Premises by County, upon completion of construction, County shall (1) record a Notice of Completion, with a copy provided to the State; (2) provide State with a complete set of "as-built" plans for all improvements in a format reasonably acceptable to State; (3) submit evidence that all improvements are clear of any mechanic's liens or stop notices; (4) submit a verified accounting of the cost for Alterations, excluding equipment and trade fixtures that are the personal property of County; and (5) submit a

verified report demonstrating full compliance with the pertinent state and federal accessibility laws, including but not limited to, the Americans with Disabilities Act of 1990, Titles I, II and III.

D. Title to all Alterations existing or hereafter erected on Premises, regardless of who constructs such improvements, shall immediately become State's property, and, upon termination of this Agreement, all improvements shall become part of the realty and title to the Premises and shall vest in State, without compensation to County. County agrees never to assail, contest, or resist said title. The foregoing notwithstanding, State may elect, by notice to County, that County must remove any Alterations that are peculiar to County's use of the Premises and are not normally required or used by State and/or future occupants of the Premises. In this event, County shall bear the cost of restoring the Premises to their condition prior to the installment of the Alterations.

6. MAINTENANCE OBLIGATIONS OF COUNTY

A. During the term of this Agreement and at County's own cost and expense, County shall maintain and operate the Premises including equipment, personal property, and Alterations or improvements of any kind that may be erected, installed, or placed thereon in a clean, safe, wholesome, and sanitary condition free of trash, garbage, or obstructions of any kind. During the term of this Agreement it shall be the County's responsibility to ensure that the Premises are maintained to the satisfaction of State. All construction, operation, and maintenance shall be in accordance with all laws, codes, regulations, ordinances, and generally accepted industry standards pertaining to such work.

B. Should County fail, neglect, or refuse to undertake and complete any required maintenance, State shall have the right to perform such maintenance or repairs for the County. In this event, County shall promptly reimburse State for the cost thereof, provided, however, that State shall first give County ten (10) days written notice of its intention to perform such maintenance or repairs. State shall not be obligated to make any repairs to or maintain any improvement on the Premises. County hereby expressly waives the right to

make repairs at the expense of the State and the benefit of Sections 1941 and 1942 of the California Civil Code relating thereto, if there be any. State has made no representations respecting the condition of the Premises, except as specifically set forth in this Agreement.

C. State reserves the right to enter the Premises for inspection and work related to its care and maintenance during the term hereof, provided that State shall give County reasonable written notice of its intention to do any of the work herein mentioned before such work is undertaken.

7. CONCESSIONS

Subject to prior written approval by State, County may grant concessions in or upon the Premises consistent with the requirements of State under Sections 5080.33 and 5080.34 of the California Public Resources Code. All concession contracts shall be subject to the requirements of the California Public Resources Code Section 5080.20 and shall be assumable and/or subject to termination by State, at State's sole discretion, in the event this Agreement is terminated by its terms. No concessions that exploit public lands for commercial purpose shall be granted by County. Further, all concession contracts shall be made subject to audit by State. State shall have the right, through its representative and at all reasonable times, to examine and copy all working papers supporting Concessionaire's annual financial statement. In addition, the State, acting through its representative, may conduct additional independent reviews of the concession operations upon written notification of such intent to County.

8. TAXES

County, by signing this Agreement, acknowledges that occupancy interest and rights to do business on State property may create a possessory interest as that term is defined in Revenue and Taxation Code Section 107.6, which possessory interest may subject a concessionaire to liability for the payment of property taxes levied on such possessory interest. County and/or any concessionaire engaged by County shall pay all lawful taxes, assessments, or

charges that may be levied by the State, County, City, or any tax or assessment levying body at any time upon any interest in or created by this Agreement, or any possessory right that County and/or any concessionaire may have in or to the Premises covered hereby or the improvements thereon, by reason of County and/or any concessionaire's use or occupancy thereof or otherwise, as well as all taxes, assessments, and charges on goods, merchandise, fixtures, appliances, equipment, and property owned by County and/or any concessionaire in or about the Premises.

9. RECORDS AND ACCOUNTS

A. At all times during the term of this Agreement, County shall keep separate, true, and complete books, records, and accounts of all income and fees received and all expenditures made by County in relation to concessions, events, special services, and all other matters incident to the development, control, and operation of the Premises. County shall report said income and expenditures to State in accordance with "**Exhibit B**" Annual Revenue and Expenditure Report, or in a similar format acceptable to State on an annual basis, which annual report shall be submitted for the period commencing July 1st and ending June 30th of each reporting year, and shall be filed with State no later than the following September 30th. In addition, within forty-five (45) days of the expiration or termination of this Agreement, County shall submit to State a statement of income and expenditures for the period of operation not previously reported, prepared as set forth above.

B. County shall provide State with an annual attendance report to include a reasonable estimate of the number of visitors and vehicles to Placerita Canyon State Park. Such annual report shall be submitted to State by the 15th day of the following month after the year closes.

C. The books, records, and accounts applying to the operation of the Premises and kept by County shall be open for audit or inspection by State at all reasonable times. All records shall be kept by County for a period of at least four

(4) years. County shall be subject to State's audit requirements and remedies as set forth herein.

10. UTILITIES AND SERVICES

County shall be responsible for all expenses resulting from utilities supplied to the Premises. County shall be responsible for distribution systems and all related expenses within the Premises.

11. INSURANCE

A. **Liability Insurance:** At its sole expense, County agrees to maintain in force during the term of this Agreement comprehensive general liability insurance, insuring against claims for injuries to persons or property occurring in, upon, or about Premises. The insurance shall have limits of not less than ONE MILLION DOLLARS (\$1,000,000) for injuries to person or persons; not less than ONE MILLION DOLLARS (\$1,000,000) for property damage; and said limits shall be per occurrence and shall be adjusted annually to reflect changes in the prior year's Consumer Price Index (CPI).

B. **Fire Insurance:** Fire insurance with extended coverage endorsements thereon on all improvements located on the Premises, whether furnished by State or constructed upon the Premises by County and/or any concessionaire, in an amount equal to the full replacement cost and/or value thereof. This policy shall contain a replacement cost endorsement naming the County and/or any concessionaire as the insured provided that if there is a lender on the security of the improvements so insured, the proceeds of any such policy or policies may be made payable to such lender.

C. State agrees that County, at County's option, may self-insure the coverage's required by this Section.

D. Each policy of liability insurance shall contain additional named insured endorsements in the name of the State of California, through its Department of Parks and Recreation, as to all insurable interests of the State including, but not limited to, the Premises and all contents as follows:

1) State of California, its officers, employees, and servants are included as additional insured but only insofar as operations and facilities under this Agreement are concerned;

2) The insurer will not cancel or reduce the insured's coverage without thirty (30) days prior written notice to State.

E. No cancellation provision in any insurance policy shall diminish the responsibility of the County to furnish continuous insurance throughout the term of the Agreement. Each policy shall be underwritten to the satisfaction of the State. A signed Certificate of Insurance, with each endorsement required, including but not limited to State's additional insured endorsement, shall be submitted to State at the time this Agreement is executed, showing that the required insurance has been obtained. Further, at least thirty (30) days prior to the expiration of any such policy, County shall submit to State a signed and completed Certificate of Insurance, with all endorsements required by this Section, showing, to the satisfaction of State, that such insurance coverage has been renewed or extended. Within fifteen (15) days of State's request, County shall furnish State with a signed and complete copy of the required policy and/or evidence of self-insurance.

F. County agrees to impose the foregoing insurance requirements on any and all concessionaires and shall require that State be named as an additional insured on all policies. Failure to provide any of the required insurance and/or endorsements shall constitute a material breach of this Agreement.

12. HOLD HARMLESS AGREEMENT

County shall indemnify, hold harmless, and defend State, its officers, agents, and employees against any and all claims, demands, damages, costs, expenses, or liability costs, (including but not limited to attorney fees, experts fees, and costs of suit), arising indirectly or directly out of the development, operation, or maintenance of the Premises by County, or in any way related to the performance of this Agreement by County, by reason of its acts or omissions relating to the Premises and/or its obligation pursuant to this Agreement and/or

by reason of injury, death, property damage, or any claim arising from the alleged violations of any state or federal law, statute, or regulations, including but not limited to the Americans with Disabilities Act of 1990 Titles I, II and III ["ADA"], however caused or alleged to have been caused, provided, however, in no event shall County be obligated to defend or indemnify State with respect to the sole negligence or willful misconduct of State, its employees, or agents (excluding County herein, or any of its concessionaires.).

In the event State is named as co-defendant in a legal action under the provisions of the Government Code Section 810 et seq., and served with process of such legal action, State shall immediately notify County of such fact and County shall represent State in such legal action as provided herein unless State undertakes to represent itself as co-defendant in such legal action, in which event State shall bear its own litigation costs, expenses, and attorney's fees.

In the event judgment is entered against State and County because of the concurrent negligence of State and County, their officers, agents, or employees, an apportionment of the liability to pay such judgment shall be made by a court of competent jurisdiction. Neither party shall request a jury apportionment.

13. EMINENT DOMAIN PROCEEDINGS

If the Premises or any portion thereof is taken by proceedings in eminent domain, State shall receive the entire award for such taking.

14. PROHIBITIONS AGAINST ASSIGNING, SUBLETTING

This Agreement and/or any interest therein or thereunder shall not be assigned, delegated, mortgaged, hypothecated, or transferred by County without obtaining the prior written consent of State.

15. NOTICES

Any notice and/or report required to be given or that may be given by either party to the other shall be deemed to have been fully given when made in

16. DEFAULTS AND REMEDIES

Any failure by a party to this Agreement to observe or perform a provision of this Agreement, where such failure continues for thirty (30) days after written notice of such failure, shall constitute a default and breach of this Agreement. However, if the nature of the default is such that it cannot be reasonably cured within the thirty (30) day period, the offending party shall not be deemed to be in default if an effective cure is commenced within the thirty (30) day period and thereafter diligently prosecuted to completion. Upon an event of default by State, County shall have the right to terminate this Agreement by providing written notice to State.

Upon an event of default by County, State shall have the right to terminate this Agreement and obtain immediate possession of the Premises at any time by written notice to County. In such event, State shall be entitled to all rights and

The party who wishes to terminate the Agreement shall give written notice of its intention no later than three hundred and sixty five (365) days before the scheduled termination date. Such notice shall be given in writing and shall be effective on the date given in the notice as the scheduled date for the termination of the Agreement.

B. In the event that the State is the party choosing to terminate the Agreement, the State shall pay to County on the termination date a sum of money equal to the depreciated cost, as determined by an industry standard depreciation formula, of the State-approved improvements installed or constructed upon the Premises by the County with the following exceptions, (a) improvements erected with funds realized fully through income from the Premises, and (b) improvements the cost of which County has been fully paid or reimbursed by State through grants or other State sources. It is expressly understood that the reimbursement provisions are not applicable where State terminates this Agreement for any breach on the part of County. In the event of breach, bankruptcy, insolvency, abandonment, or termination of Agreement upon County's request, the reimbursement provisions shall not apply and shall not be considered an obligation of the State.

C. State may not commence termination proceedings until such time as the funds required for such termination and reimbursement have been obtained through appropriations by the Legislature and through the normal budgeting process of the State.

18. SURRENDER OF THE PREMISES; HOLDING OVER

A. Surrender: On expiration or within thirty (30) days after earlier termination of this Agreement, County shall surrender the Premises to State with all fixtures, improvements, and Alterations in good condition, except for fixtures, improvements, and Alterations that County is obligated to remove. County shall remove all of its personal property and shall perform all restoration required by the terms of this Agreement within the above stated time unless otherwise agreed to in writing.

If County fails to surrender the Premises to State on the expiration, assignment, or within thirty (30) days after earlier termination of the term as required by this Section, County shall hold State harmless for all damages resulting from County's failure to surrender the Premises.

B. Holding Over: After the expiration or earlier termination of the term and if County remains in possession of the Premises with State's expressed or implied consent, such possession by County shall be deemed to be a temporary tenancy from month-to-month terminable on thirty (30) days written notice given at any time by either party. All provisions of this Agreement except those pertaining to the term shall apply to the temporary tenancy.

19. REAL PROPERTY ACQUISITION

It is understood and agreed to by the parties that all applications for real property rights, appurtenant to the Premises, shall be made in the name of and on behalf of State, and shall be subject to the prior written approval of State.

20. COMPLIANCE WITH LAWS, RULES, REGULATIONS, AND POLICIES

County and its officers, agents, and employees shall comply with all applicable laws, rules, regulations, and orders existing during the term of this Agreement, including obtaining and maintaining all necessary permits and licenses. County acknowledges and warrants that it is, or will make itself, through its responsible managers, knowledgeable of all pertinent laws, rules, ordinances, regulations, or other requirements having the force of law affecting

the operation of the Premises, including but not limited to laws affecting health and safety, hazardous materials, pest control activities, historical preservation, environmental impacts, and building standards.

21. NONDISCRIMINATION

Pursuant to Public Resources Code Section 5080.34, this Agreement and every Agreement on lands that are subject to this Agreement shall expressly prohibit discrimination against any person because of sex, sexual orientation, race, color, religious creed, marital status, ancestry, national origin, medical condition, age (40 and above), and disability (mental and physical) including HIV and AIDS.
