DIRECTORY

OF THE

AMERICAN FIELD SERVICE ASSOCIATION

SEPTEMBER, 1931

To the Members of the Field Service:

In response to our Bulletin issued a year ago, we received a larger total of contributions, from a greater number of members of the Service, than in response to any similar plea sent out during the years since the Association ceased to be active. Many of these returned questionnaires were accompanied by enthusiastic letters.

There is no question of there being a strong desire on the part of a good percentage of the Field Service men to keep the Association alive. This Directory follows just a year after the Bulletin, and we should like to plan ways and means of issuing Bulletins, and lists of changed addresses, more frequently. To this end, we solicit the suggestions of each and every member of the Service.

Whether or not you have any suggestions to offer, please keep us informed whenever you change either your business or your home address. Every effort has been made to have this Directory as complete and accurate as possible. To all those who cooperated in making it as complete and accurate as it may be, we offer our thanks—and this includes the wives and mothers who sent in the addresses of procrastinating husbands and sons.

Any suggestions you have to offer, or any records of changed or corrected addresses, may be sent to any of the following:

A. PIATT ANDREW,
House Office Building, Washington, D. C.

WM. DE FORD BIGELOW,
10 Post Office Square, Boston, Mass.

STEPHEN GALATTI,
399 Park Avenue, New York City.

HENRY D. SLEEPER,
420 Boylston Street, Boston, Mass.

DIRECTORY

OF THE

AMERICAN FIELD SERVICE ASSOCIATION

Where two or more addresses are given, the home address precedes. In many instances, members have given the home addresses of their families, as being more permanent mailing addresses, thus accounting for two home addresses, or home and business addresses in different cities. Wherever the two addresses, however, are in the same city, the city and state are indicated but once.

Names in italics, with one star, indicate men who lost their lives in the war; names in italics, with two stars, indicate men who have died since the war. In these instances the names and addresses of their parents, or nearest relatives, where known, are given as Honorary Members of the Association.

C. A. indicates former section chefs, and S. C., former sous-chefs.

Section numbers precede the names, and the year or years during which each man served, follow.
